CTDLC is proud to announce our newest partnership with enCircle media.

enCircle Media works with colleges and universities across the country looking to increase their enrollment numbers by using their digital marketing services.

This newest CTDLC partner brings to the table their in-depth media expertise, sophisticated technology and a personalized approach to create campaigns that are aligned with each school's internal efforts and resources.

Their services include prospecting, enrollment and retention solutions for the entire student lifecycle with measurable results.
