Narrative Guide

Please write a narrative that supports your video presentation that will assist the Exemplar Course Award committee in evaluating your work for consideration. The narrative should be no more than 500 words in length and address the following questions:

1. What makes your course exceptional?
2. What are unique features of your course that make learning effective?
3. Help us understand how students are effectively engaged in this course. For example, you can:
   a. Tell a story
   b. Use course data
   c. Share student feedback
   d. Or any other approach you would like to take
4. How are learning outcomes measured?
5. What will other instructors take away from reviewing your video?

In addition to your narrative, please attach a copy of your syllabus. Your syllabus should include a course schedule and policies specific to the online environment.

Note: As you write your narrative, please adhere to FERPA and avoid sharing personal student information.
